2024-2025 Veteran Discharged Loan/Disability Statement

Student's Name: _____

W# _____

We have completed the initial review of your 2024-2025 Free Application for Federal Student Aid (FAFSA). The National Student Loan Data System (NSLDS®) database indicates that one or more of your federal student loans have been discharged based on a determination by the U.S. Department of Veterans Affairs that you are unemployable due to a service-connected disability.

Before we can determine if you are eligible for another student loan, please select the applicable statement, attach the appropriate documentation, and return it to the Financial Aid Office. For federal financial aid purposes, the phrase "substantial gainful activity" means a level of work performed for pay that involves doing significant physical or mental activities or a combination of both.

No Substantial Gainful Activity

Statement of Certification: I certify that I am not capable of engaging in substantial gainful activity. I acknowledge that I do not want to receive any new federal loans from Southeastern Louisiana University.

Substantial Gainful Activity - (Must provide completed physician's statement)

Statement of Certification: By signing this form, I acknowledge that any loans (or previously discharged loans that may be reinstated) or TEACH Grant service obligations I receive hereafter cannot be canceled in the future on the basis of any present impairment or condition, unless the impairment or condition substantially deteriorates to the extent that the definition of total and permanent disability is met.

Consent for Release of Information: I authorize any physician, hospital or other institution having records pertaining to the disability for which I had a loan(s) discharged to make information from such records available to the U.S. Department of Education or the holder of my loan(s).
