

Student Success After Graduation

Some highlights of the most recent undergraduate alumni surveys include:

- » The vast majority (86%) are satisfactorily employed.
- » Over three-fourths (80%) are continuing or plan to continue their education.
- » Most (86%) of the respondents employed full-time, work in the state of Louisiana, with the majority being employed in the area of their Southeastern major or a related area.
- » The average income of alumni exceeds the average income of Louisiana residents.
