

Study Abroad and International Initiatives

Due to the global pandemic COVID-19, all Study Abroad programs for 2020 were cancelled.

2019 - 2020 Highlights

- » The Office of International Initiatives established a memorandum of understanding (MOU) with Federal University Espirito Santo in Brazil.
- » Students were exchanged between Southeastern and Niigata University, Japan.
- » This year, the fourth annual photo contest awarded students in five different categories for photos taken during their study abroad trips and awarded faculty in four categories through an online voting manner on social media (Instagram) due to COVID-19.
