Please note that documentation supporting the value of resources will be required by Grants Accounting. If a third party donates the use of equipment or space in a building but retains the title, the contribution will be valued at the fair rental rate of the equipment or space. If a third party donates equipment or buildings, and title passes to the grantee, then the grantee needs to obtain approval from the awarding agency to use the market value of the equipment/building as a cost match. If you have any questions regarding this form, contact Grants Accounting at 549-3534 or 549-5588.
