

DEPARTMENT OF BUSINESS ADMINISTRATION AND FINANCE

OBJECTIVES

The Department of Business Administration and Finance offers 1) a Bachelor of Business Administration degree (students may elect to complete a concentration in Economics) and 2) a Bachelor of Science in Finance degree. The department's objectives include:

1. The program will recruit and retain students who are primarily from Southeast Louisiana.
2. Students will be able to develop competencies in written and spoken communication, problem solving, and reflective thinking in a business context.
3. Students will develop an understanding of the role of ethics in business.
4. Students will be equipped to understand and use technology.
5. Students will develop an understanding of multicultural and diversity issues.
6. Students will have an opportunity to work in groups.
- 7.

MAJOR IN BUSINESS ADMINISTRATION

The major in Business Administration leads to the degree of Bachelor of Business Administration. Majors may choose a concentration in Economics.

HONORS DIPLOMA IN THE DISCIPLINE

The department also offers an upper-division honors curriculum allowing its students to earn an honors diploma in the major at graduation. For information about requirements and honors courses in this department, please contact the Department Head.

MINOR IN ECONOMICS

Students from other departments of the University may minor in Economics. The Economics minor consists of Economics 201 and 202, plus twelve hours of 300 + Economics electives. Students minoring in Economics are required to obtain the approval of the Department Head.

†Management 425 3	†Management 473 3
†Economics 402 3	†Business Elective 3
†Finance 410 3	†Business Elective 3
Non-Business Elective 3	†Business Elective 3
15	15

Total semester hours required 120-123

Southeastern 101 is not required of transfer or readmitted Southeastern students with 30 hours or more.

¹Please refer to the possible natural science combinations under General Education Requirements in the University Policies chapter of this catalogue for the approved sequenced courses in natural science. Because Chemistry 106 or Physics 142 cannot be followed by a second sequenced course, the student may take only one of these two courses for their natural sciences requirements.

²Students with an ACT Math score of 20 or lower will take Math 155 (5 credit hours) in place of Math 161, which will increase by 2 credit hours the total number of hours required for the degree.

Business majors will not be allowed to use BOTH CMPS 110 AND MGMT 210 towards a degree.

†C average is required within the major courses.
