- F. Student Life Chair Edrica Thomas

We will be having a demonstration with the Bird Scooters at Strawberry Jubilee on April 13th, we would like to request some help at the demonstration to allow students to authentically express their opinions and take the survey. I will send the Sign Up Genius link after the meeting. We are not moving forward with the Cookies & Concerns Bill due to scheduling conflicts and ROA timing; our last Senate Social is on April 11th at 4:15pm, we will be playing charades and song association.

- G. Senate Chair KeRon Jackson

Everyone should still be fulfilling their duty as a Senator even if you are not coming back. We fight for the students of the University, so please fill your requirements for the students if not for yourself. We are always willing to help.

Stress Less Breakfast will be on May 9th and May 10th, extra hands will be needed as we are trying to make it bigger this semester. We are 214 points away from “Gold” status in the point system. We have been working hard, I will update office hours and committee quorum helpers this week. You can get something out of SGA if you give something to SGA; take part in what we are doing; if you don’t like something, you have the power to change it.

Online is situational, we will be sticking with in person meetings unless it is a situation like last week, but if something is going on please let me know.
